Dear Mr. Jaffe:

RE: Docket 98P-0203/CP

Please add my voice of support for the petition to ban  
the forced molting of layer hens.

As we approach the new millenium, as civilized people  
let us act compassionately towards all animals, especially  
the ones who provide us with great food at great sacrifices.

Thank you in advance for your kind consideration to this  
petition.

Sincerely,

Jocelyne Kamerer
